LA MALTESE

THE ULTIMATE SANTORINI EXPERIENCE

La Maltese Santorini features an iconic collection of enchanting properties in Imerovigli that distil the very best that the island has to offer.

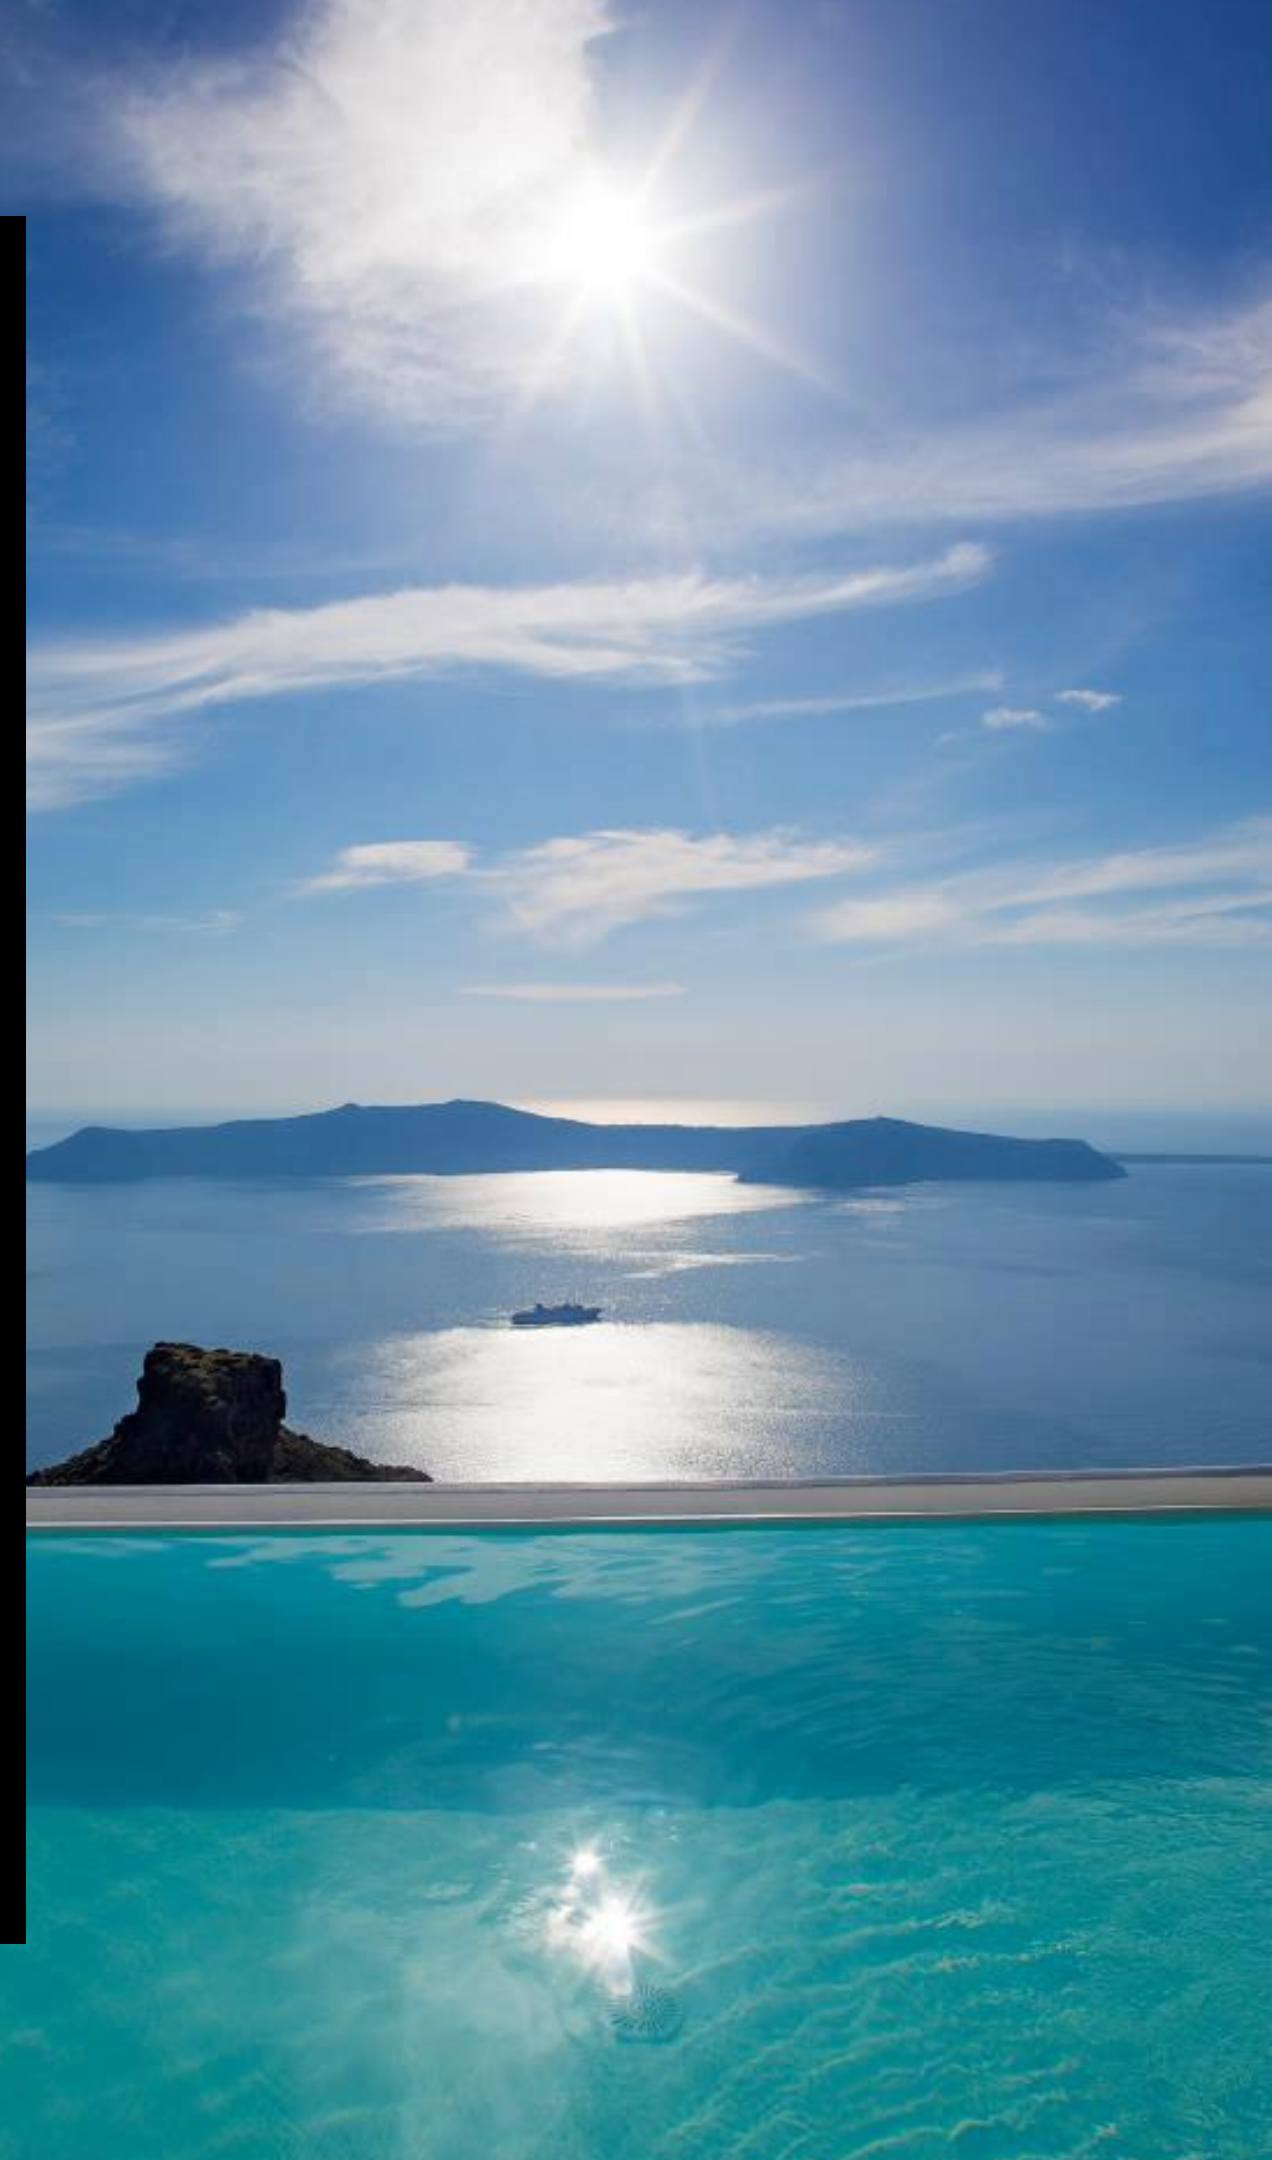

The first hotel of the collection, La Maltese Caldera Concept 5-star boutique is partially housed in a meticulously renovated historic Captain building dating back to the 1900's and a second fully restored building with cave suites. La Maltese Private Villa has been designed with respect to the local tradition and enjoys an equally privileged location and dreamy Caldera view. These two properties coexist in total harmony with their surroundings ensuring utmost comfort, relaxation and serenity.

Last, but not least, the newly introduced property of the group, La Maltese Estate 5-star boutique hotel is set in a prominent and central location in the picturesque village of Imerovigli offering guests the ultimate in luxury living.

Each with their own character and special charm offer an exclusive range of accommodation options with first-class amenities designed to elevate the quality of their guests' stay to new heights. Guests can also enjoy access to all facilities and services offered at La Maltese Buddha Bar Beach 5-star boutique such as Dine & Wine options, scrumptious breakfast choices and signature creations at Buddha bar Beach, stylish lifestyle venues for dream weddings and special events.
